Note: This version of the annual report questionnaire is in the form of Excel spreadsheets and is designed to be completed electronically. In this version, definitions of key terms used (and additional instructions), whenever relevant, are provided throughout the questionnaire through the Excel "Comments" function; in addition, these definitions are repeated in the footnotes. Please hover over the cells to see the comments. The excel spreadsheet also uses drop-down lists for some questions, allowing you to simply select from a list the answer that is most appropriate for your country.
